

# Connecting People Intervention Study Fast Track Workshop

**Friday, February 15th 2013**

**10am—1pm**

**King's College**

**London**

***FREE event!***

The Connecting People Intervention Study is a multi-site pilot aimed to promote well-being and social participation amongst adults with a learning disability or mental health problem.

## Agenda

- Introduction to the Connecting People Intervention from members of the research team
- Interactive training activities
- Panel discussion with directors and workers from a diverse range of agencies
- Networking lunch
