Event on adult Green Paper, October 11th

This event attracted 120 people. We decided to issue 'post-its' on the day so that delegates could make a note of questions or comments that they would like to put to speakers. All speakers responded to the points that were raised and I think it makes interesting reading. See page 11 onward for the full story!

This seemed to work quite well and is something that we will likely employ at future events, particularly the annual workshop.

Annual Workshop

This is taking place on Monday 27th, Tuesday 28th and Wednesday 29th March at St Catherine's College, Oxford University. At the

time of writing there are two or three workshop sessions that need to be filled, so if anyone has an idea that's in keeping with the theme, please get in touch
dhender421@aol.com

SPSS Training

SSRG is offering a two day course on using SPSS to store and analyse survey and other data. Places are limited to 18 and will be allocated on a 'first come first served' basis. See page 27 for further information.

February Newsletter

The first newsletter of 2006 will appear at the end of January. Please can you email contribution before 12th January to dhender421@aol.com
