

# Newsletter

## Editorial

Welcome to the October edition of the SSRG newsletter

As mentioned in the July newsletter, future editions will usually appear toward the end of July, September, November, March and May.

This is so that items discussed at the EC can be added. The EC normally takes place on the second Tuesday of these months.

### SSRG Members – change of details

With the move toward Children's Departments and other changes that are taking place in councils, some members may be moving offices.

Please can you make sure that you inform Jackie Watson (contact details on back page) of changes in your address, telephone number and email details

EC members have agreed to undertake a telephone

survey to discuss the impact of some of these changes on the membership, and to learn of other issues that are important to members.

### SSRG Annual Workshop 2006

This is taking place on Monday 27th, Tuesday 28th and Wednesday 29th March in the Bernard Sunley building, St Catherine's College at Oxford University. Further information, including speakers confirmed so far, can be found on pages 25 and 26

### December edition

Copy for the December edition of the SSRG newsletter should be sent by email before Friday 17th November to [dhender421@aol.com](mailto:dhender421@aol.com)

Please share your examples of good practice! Contributions are always welcome!
