Editorial

In the pages of this edition, you will read news of contemporary issues such as partnership working, performance assessment, results-based accountability, commissioning and the involvement of service users.

All of these issues – and others - are being discussed in this year's

ANNUAL WORKSHOP **University of Leicester** **16th, 17th and 18th April**

As well as a formal programme, there will be the opportunity for colleagues to meet in 'fringe sessions' to discuss other issues of interest, for example the forthcoming user-experience survey. *More details from page 17.*
